James,

I really need LGS's help with this client. It has been months since the judge asked the AUSA to help move the MDC into addressing Mr. Rondan Moreno's [REDACTED]. And, while AUSA Kaylan Lasky has made every effort to help — only today — after our client's family reports that he is on the flooring screaming because of this longstanding [REDACTED] — has the [REDACTED] at MDC prescribed an [REDACTED] — which is better than nothing — but certainly not a cure for [REDACTED]...like a visit with an actual [REDACTED] might be.

Is it possible to schedule a conference call with Judge Schofield and [REDACTED] or the Warden at MDC...nobody deserves months of excruciating [REDACTED].

Do you think the judge can help us? I am available anytime if the She wants to reach out. (My cell # is: [REDACTED]...and I can be reached absolutely any time?

Thanks so much,

Susan
